

BellSouth currently has several openings for college Co-op students in various organizations throughout the region. There is a key need for students during the Fall Semester (Aug. 15 - Dec. 15) in Industrial, Civil, Mechanical and Electrical Engineering disciplines.

The Co-op program offers a great opportunity for students to integrate academic study with career-related work experience. BellSouth Co-op students alternate school terms and work during the spring, summer or fall semesters (up to 3 total rotations).

**Key Qualifications:**

Currently enrolled at a school that offers a formal Cooperative Education Program.

Must currently be a sophomore or above at 2-4 year university  
Class content with Engineering disciplines including Industrial, Civil, Mechanical and Electrical

Good Academic standing with a GPA of 2.8 or higher

Good communications skills.

Be willing to relocate in proximity to the positions available.

Apply for Co-Op Position:

All applicants must use BellSouth's online system and create a profile in order to be considered as a candidate for any vacancy. Please refer interested students to the BellSouth employment website at
