Continue to select your Support Plan
Step 10
Select the BASIC support plan and select CONTINUE

Support Plan

AWS Support offers a selection of plans to meet your needs. All plans provide 24x7 access to customer service, AWS documentation, whitepapers, and support forums. For access to technical support and additional resources to help you plan, deploy, and optimize your AWS environment, we recommend selecting a support plan that best aligns with your AWS usage.

Please Select One

- **Basic**
  
  Description: Customer Service for account and billing questions and access to the AWS Community Forums.
  
  Price: Included

- **Developer**
  
  Use case: Experimenting with AWS
  
  Description: One primary contact may ask technical questions through Support Center and get a response within 12–24 hours during local business hours.
  
  Price: $49/month

- **Business**
  
  Use case: Production use of AWS
  
  Description: 24x7 support by phone and chat, 1-hour response to urgent support cases, and help with common third-party software. Full access to AWS Trusted Advisor for optimizing your AWS infrastructure, and access to the AWS Support API for automating your support cases and retrieving Trusted Advisor results.
  
  Price: $100/month

- **Enterprise**
  
  Use case: Mission-critical use of AWS
  
  Description: All the features of the Business support plan, plus an assigned Technical Account Manager (TAM) who provides proactive guidance and best practices to help plan, develop, and run your AWS solutions, a Support Concierge who provides billing and account analysis and assistance, access to Infrastructure Event Management to support product launches, seasonal promotions/events, and migrations, and 15-minute response to critical support cases with prioritized case handling.
  
  Price: $15,000/month

  *If you select this option, customer support will contact you within 48 hours to discuss your needs and finalize the signup. Support resources will be available when signup is finalized, and no charges will be incurred until that time.*

Step 2. Verify Email Address

We need to verify the email address you provided in your AWS Educate application before we can process it.

We sent an email address verification message to your mailbox at aws.demo@armstrong.edu. Please check your messages and input the verification code provided in the email.

Please do not close this page until you enter the verification code sent to your email address. If you close this page before entering the verification code, you will need to restart the application process. If you don't receive an email with the verification code in a few minutes, try checking your spam or junk mail folders.

AWS Educate Terms & Conditions

Last Updated: March 26, 2015

These AWS Educate Terms & Conditions (these “Terms”) contain the terms and conditions that govern your participation in the AWS Educate Program (the “Program”) and represent an agreement between Amazon Web Services, Inc. (“AWS,” “we,” “us,” or “our”) and you or the educational institution or entity you represent ("you"). These Terms include any additional terms that may apply to participation in the Program or your use of the AWS services, including the AWS Educate Educator Collaboration Portal (“KECP”) Terms and Conditions, terms specific to the Program, the terms of the AWS Customer Agreement (http://aws.amazon.com/agreement/) between you and AWS or other agreement with us governing your use of the AWS services (“AWS Customer Agreement”), and any other terms referenced herein. If these Terms are inconsistent with the AWS Customer Agreement, the AWS Customer Agreement will control. By participating in the Program, you represent to us that you are lawfully able to enter into contracts, and if you are entering into this Agreement for a commercial entity, government institution or any other entity, such as the company you work for or a public educational institution (“Entity”), you represent to us that you have legal authority to bind that Entity.

Step 18
Check your Email. You will receive an application confirmation email.

Thank You for Applying for AWS Educate
